

Come experience The Leader's Hub.

A small, curated peer group for business owners.

A monthly, in-person opportunity to step away from the day-to-day, think more clearly, make better decisions - and grow your business.

Join us for a preview evening before our first group begins. Come as you are - the only thing to bring is your experience as an owner.

WHAT YOU CAN EXPECT

4:30

Meet the room

Light bites and introductions with Margalit, Paul, and a curated group of fellow business owners.

4:45

The Hub in action

The heart of the evening - a facilitated session, a taste of our monthly meetings.

5:40

Your questions

How The Leader's Hub works, what membership looks like, and straight answers to your questions.

Growth happens through people, conversations, and different perspectives. The Leader's Hub is built on that idea - and the best introduction is simply to experience it.

Reserve your seat

A \$75 refundable deposit holds your place. It's returned when you attend - or applied toward your membership if you decide to join. Seats are limited; the room is intentionally small. To reserve, simply reply to this invitation and we'll send you the registration details.

If it feels like the right fit

The Leader's Hub is \$2,100 for six months - monthly in-person peer meetings, with support between sessions. If you're interested, let's talk - reach out to Margalit or Paul below.
